On April 3, 2002, Delmarva Power and Light Company (“Delmarva”), Potomac Electric Power Company, Pepco Holdings, Inc., and Conectiv Resource Partners, Inc. **Effective April 9, 2002, the new Case Management System requires that the case number format for all Commission orders change from, e.g., PUE010663 to the following: PUE-2001-00663.**

77 of the Code allows the Commission to extend its sixty-day review period “for an additional period not to exceed thirty days.”

We note that the complex issues in the petition will require additional time for review. As such, we are of the opinion that sixty days is not sufficient time in which to investigate fully matters associated with the petition. Therefore, it is appropriate to extend the period for review of issues under § 56-77 for a period of thirty days, or through July 2, 2002.

Accordingly, IT IS ORDERED that the period for review of issues governed by § 56-77 shall be extended for a period not to exceed thirty days from the original sixty-day period, or through July 2, 2002.
